

Self-certification for the ED5603: Project-III

Mid-semester progress report

Please tick the check-boxes appropriately and confirm the same via your signature (with the date of submission of the report) at the bottom of the page.

- ☐ All the figures and tables have their individual captions.
- ☐ Sources for all the figures, tables etc. which have not been created by the author (e.g., taken from another report or a paper/book) have been mentioned in the respective captions.
- ☐ All symbols denoting various variables, parameters, etc. have been clearly defined when they are being introduced in the text.
- ☐ Any given symbol retains the same meaning and appearance (i.e., font type, size, style, etc.) all through the document.
- ☐ All the numeric entities presented in the report use the same number of digits after the decimal, unless mentioned otherwise.
- ☐ Units for all the physical entities/variables appearing in the report have been mentioned clearly.
- ☐ All the figures and tables have been referred to in the main text.
- ☐ The axis-labels, legends (wherever appropriate) have been added to all the figures.
- ☐ All the text elements, e.g., labels, text in the legends, etc. are clearly legible.
- ☐ An automated spelling-check has been done using the software _____, following the _____ (e.g., English UK/US/India) dictionary.
- ☐ An automated grammar-check has been done using the software _____ (e.g., MS Word, Grammarly) following the same dictionary as above.
